

HOW WILL YOU BE REMEMBERED?

Imagine it is many years from now, and you've passed away. Friends and family are gathered at your memorial service to reflect on your life. Did you make a lasting impact?

==== WHO YOU WERE ====

What are the words you want to come to mind when people think of you?

==== HOW YOU LIVED ====

What are the biggest lessons you hope people will take away from looking at your life?

==== WHAT YOU DID ====

What are two things you can start doing to intentionally build your legacy?

==== TODAY ====

Now, come back to the present. If you died today, what would you wish you had done that you haven't actually done?
