

Providing Qualified On-Site Screeners for Temperature Checks and Questionnaires

SAFER at work by **24 Hour Home Care** supports businesses with reopening and beyond by offering staff for on-site COVID-19 screening. Employees and patrons will feel safe and confident when re-entering shared spaces.

Our SAFER at work program provides a turn-key COVID-19 screening solution:

- **Program: Personnel**, on-site temperature checks, and *Fit for Entry Questionnaire*
- **Equipment**: Outfitting our On-Site Screeners with PPE and digital no-touch thermometers
- **Security**: All On-Site Screeners pass certified background checks and are covered by our liability insurance
- **Accessibility**: 24/7 customer support
- **Up-to-date**: Program regularly updated in accordance with CDC and OSHA guidelines
