

Find Your Strategic Talent Fit

Retained Executive Search

We partner with our clients to identify and attract the right people with the right skills to take your organization where you want to go and beyond.

- The best fit for C-Suite and Leadership Teams
- Strategic talent for business transformations
- A highly specialized skill set
- Vital roles where thoughtful culture fit and unique skills alignment are paramount

Talent-as-a-Service (TaaS)

A flexible and scalable solution that provides all the benefits of an internal recruiting team at less than half the cost.

- You are still building the Human Resources function of your organization
- Your existing talent acquisition team needs additional bandwidth
- There are multiple roles throughout the organization that need to be filled
- You need to identify talent faster and more efficiently

Project Consulting

When you have major corporate transformation initiatives that need focused effort, we have the expertise to make it happen.

- You need strategy and execution at the same time for major initiatives
- Your team needs interim support or expertise in critical leadership or functional areas
- Transformations can include software selection and implementation, business process optimization, and process documentation and automation
