CEO CFO HR

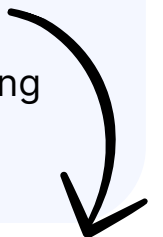

We offer a revolutionary way to benefit the employees, and the company in one simple process.

78% of executives state that employee retention is one of their biggest challenges. We can help solve that problem.

Increase employee satisfaction – Decrease employee turnover!

Introducing The CHAMP™ Plan:

- Employers on average will **save over \$45 monthly per employee** in payroll tax savings
- Employees on the program may see an **increase in take-home pay** with participation in the CHAMP Plan
- Provides employees with **extra health and wellness benefits**
- **Does not replace, compete, or interfere** with your primary health insurance
- Provides employees with the **most innovative & interactive** wellbeing management program

If you take pride in attracting & retaining the best employees, then this plan is for you!

What the CHAMP Plan™ provides your employees?

An Employee Focused Plan:

Finally, a plan that focuses on improving your physical as well as financial wellbeing! The CHAMP Plan™ is a revolutionary health care solution that is designed to complement any health insurance plan while giving you additional benefits at zero-net cost.

No Copay. No Deductibles. No Coinsurance.

The company will see a net savings for each employee. Most eligible employees will receive extra benefits as well as an increase in their net-take home pay. The CHAMP Plan™ is specifically designed to be great for your company while also being great for your employees.
